Treasurer's Report: Mary Kay presented the modified finance report: Activities Account: \$669. Administration Account: \$1,241.82. There are 23 members

### **Old Business**

1. Cougar game event: Phil gave a brief Final Update on the Cougar's Events this past summer. Weather was good for both games and attendees seem to have a good time.
2. Walkathon update: Sandra Lulay – The committee will meet, after the business meeting today, to finalize details. The event continues to be on schedule for the 10:00 am start on Saturday, September 24.
3. LIF Items: Barbara and Vanessa are planning a visit to DeKalb to deliver collected items.
4. Bookmobile is back and will continue to visit on Fridays, except for Thanksgiving weekend, until the end of the year.
5. Art Show will be October 1, and we will have an assigned location with a table and canopy to collect donations for October Candy Day.
6. Clothing Drive for donations to Wayside Cross Ministries will be held again from November 1 thru 18. Donations may be left in the usual collection box in the lower level of the clubhouse or another location to be named later. Barbara Javaras and Elaine Dugan will be coordinating the drop off locations.

7. SE Region Zone 1 meeting: Vanessa, Shirley and Barbara attended the meeting hosted by the Westmont Lions Club. There was a good presentation on "CaptionCall" which will be discussed under new business
8. Feed My Starving Children: Bruce reported that 9 people participated in August, 6 ACLC members plus Tom and Theresa Solan. 108 Boxes were packed. Five people have signed up so far for next week. The schedule remains the same. The sign-up sheet is in the clubhouse.

### **New Business**

1. Membership: Vanessa reported that we have **four** new members
2. Bookmarks: Lou Ann Hoffman handed out the new attractive bookmarks that can be used at all our events for ACLC promotion.
3. Candy Day will be at Jewel on Eola Rd. on October 15. Vanessa sent a sign-up sheet around for volunteers to help collect donations and hand out candy.
4. November 8, meeting will be on election day. Instead of the regular meeting, we will be touring the Northern Illinois Food Bank in Geneva at 11:00 am. Discussion continues regarding lunch after the tour. Details on location TBD. Members who plan to go on the tour are encouraged to carpool. More information about the tour and lunch, including addresses, will be sent out later.
5. CaptionCall: Shirley and Donna reported on "CaptionCall". It is a phone that can be installed in anyone's home, free of charge, and provides closed captions of conversations with speakers on the phone so anyone who is hearing impaired can read what the caller is saying. All agreed that it might be a good educational program to provide for the community. We will invite the speaker who talked to us at the last Zone meeting to attend our October meeting to provide information and a demonstration.
6. Pot Pourri – Phil: All five questions were answered correctly therefore \$5, was added to our activities account.

Meeting adjourned at 2:40 pm

The next meeting will be October 11, 1:30, at the Clubhouse

**Refreshments were provided after the meeting. THANKS to Polly Elifson, Anne Metzdorf and Vanessa Liveris. It was enjoyed by all.**
